INTRODUCTION

In recent years, Mart Visser has built up an impressive oeuvre. He has succeeded in giving Haute Couture in the Netherlands a new, younger appearance and above all a modern and controversial face. As a Couturier, Mart Visser (1968) has acquired an important position in the Netherlands with great name recognition. Since the introduction of his own couture label in 1993, he is a much-discussed exponent in the Netherlands.

Together with Asiades we are proud to present you our new furniture collection, designed by Mart Visser.
